## Cancer Research, Genetics and Cardiovascular Diseases in Focus during the Czech Scientists Workshop with Danish Counterparts

We have much pleasure in inviting you to attend the workshop on research and development in the life-sciences sector in the Czech Republic, which we are hosting. The workshop is being organised in cooperation with Copenhagen Bio Science Park (COBIS).

This event will be held from 10:00 a.m. to 2:00 p.m. on Tuesday, 29 April 2014, at COBIS, Ole Maaløes Vej 3 2200 Copenhagen. The workshop will provide a unique opportunity to meet with top scientists and researchers from both institutes of the Academy of Sciences of the Czech Republic and centres of excellence for biomedical science. The full programme of the workshop will be available soon.

Attendance at the workshop will be free of charge and will include a buffet lunch.

We very much hope you can join us for what promises to be an informative, enjoyable and potentially rewarding occasion.

Yours,

**Jiří Brodský**  
Ambassador of the Czech Republic  
to the Kingdom of Denmark

**Morten Mølgaard Jensen**
