

INVITATION

Czech Republic - Cooperation and Investment Opportunities

**Visit us at MTA MetalAsia 2007,
Stand 6G2-07**

**National Presentation of the Czech Republic and
Press Conference on 28 March from 3 pm to 4 pm
in the V-Room in hall 5**

Dear Sir/Madam,

the Ministry of Industry and Trade of the Czech Republic, CzechInvest, the Investment and Business Development Agency and the Czech Association of Engineering Technology would like to invite you to visit **the national exhibition of the Czech Republic at MTA MetalAsia 2007**

which will be held from **28 to 31 March 2007 in Singapore.**

MTA MetalAsia 2007 – the 17th Precision Engineering Industry Event, is an international platform of high precision technologies and capabilities for manufacturing industries. Recognising the precision engineering industry as the vital backbone for serving industry verticals such as automotive, aerospace, electronics, medical technology and other supporting industries, CzechInvest's representatives will be pleased to provide you with information about why the Czech Republic has become a leading European manufacturing and technology hub for above-mentioned industries and why the country is considered a prime European location for Asian entrepreneurs. Currently more than 180 Japanese, 30 Chinese and 15 Korean companies have established their operations in the Czech Republic due to the country's well-known strong technical capabilities.

We would be pleased to schedule an individual meeting with you and prepare detailed information upon your request in advance.

The Ministry of Industry and Trade (MIT) is the central body of the government administration involved in: the national industrial policy, trade policy, foreign economic policy.

The Association of Engineering Technology (SST) The SST associates 45 significant manufacturing and supply organizations which are mostly engaged in manufacturing and supplying of metal-cutting machines and forming machines, woodworking machines, tools, measuring equipment, hydraulic components and aggregates.

CzechInvest - is the Investment and Business Development Agency of the Czech Republic whose services and development programmes contribute to attracting foreign investment and to developing Czech companies. The agency's mission is to support investment activities to the highest level of competence not only through our information service and consultancy but also through connection to EU structural funds. CzechInvest provides its services free of charge.

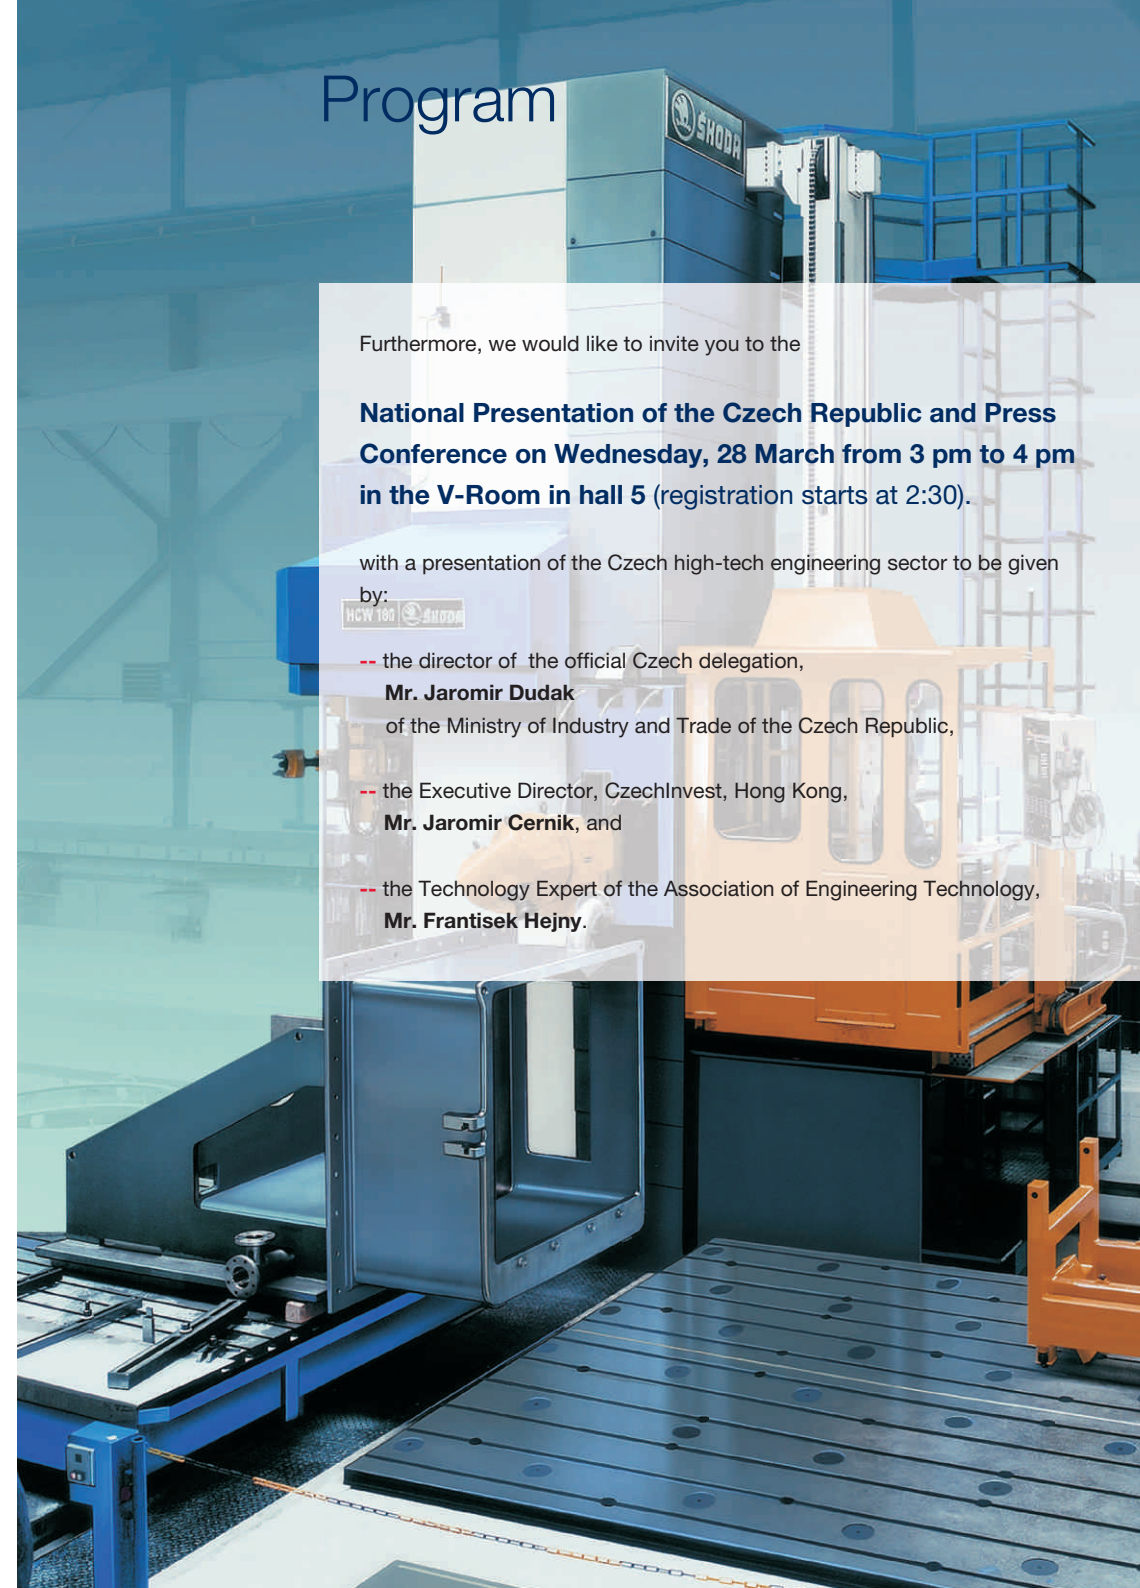

Program

Furthermore, we would like to invite you to the

National Presentation of the Czech Republic and Press Conference on Wednesday, 28 March from 3 pm to 4 pm in the V-Room in hall 5 (registration starts at 2:30).

with a presentation of the Czech high-tech engineering sector to be given by:

- the director of the official Czech delegation,
Mr. Jaromir Dudak
of the Ministry of Industry and Trade of the Czech Republic,
- the Executive Director, CzechInvest, Hong Kong,
Mr. Jaromir Cernik, and
- the Technology Expert of the Association of Engineering Technology,
Mr. Frantisek Hejny.
