

**INVITATION TO SEMINAR**

**„Czech Investment Seminar“**

Currently, one of the most attractive investment sectors in the EU is renewable resources. We will inform you of the kinds of support investors can obtain in this field in the Czech Republic. In addition, you will find out how the Czech government is dealing with the country's relative lack of labor resources and receive information on the Czech business environment.

- **Date:** Thursday, November 20, 2008 14:00-17:30
- **Place:** Japan Bank for International Cooperation (9F), Tokyo

**Programme:**

- 13:30-14:00 Registration
