

# Social program – Tuesday morning

Trip to Ještěd (approx. 2 hours long, [Wikipedia about Ještěd](#))

Online Source: [www.commonswiki.org](http://www.commonswiki.org)

This unusual structure in the form of a hyperboloid, which houses a hotel and a television transmitter, is a symbol of the region. Offering the view of the whole north of the Czech Republic with 1016m is the highest top of the Ještěd ridge. We will travel by bus to the foot of the mountain, then climb the mountain by the cable car to see the whole region.

**Approximate price of the trip to Ještěd for accompanying person and students will be: 12€  
(for presenters for free)**

**Number of seats is limited (max. 30);**

**Please contact us till August 23<sup>th</sup> at [nart@tul.cz](mailto:nart@tul.cz), if you are interested in this trip.**

## Social program – Tuesday afternoon

**Trip to Harrachov glass factory (approx. 4 hours long, [Website of the Harrachov glass-factory](#))**

The trip to the mountain town Harrachov on the border between Czech Republic and Poland offers the look into what used to be the traditional art of the Jizera mountains – glass crafting. We will explore the glass factory with craft-beer from local brewery in our hand; visit the traditional restaurant and a glass shop.

**Approximate price of the trip to Harrachov for accompanying person and students will be: 25€  
(for presenters for free)**

**Number of seats is limited (max. 45);**

**Please contact us till August 23<sup>th</sup> at [nart@tul.cz](mailto:nart@tul.cz), if you are interested in this trip.**
