

Conference to Support Young Innovators

Final International Conference of the InoPlaCe project

Venue: Nadace pro rozvoj architektury a stavitelství,
Václavské náměstí 833/31 (v průchodu), Praha
Date: 16th October 2014

INVITATION

InoPlaCe project – Improving of Key Supporting Services for Young Innovators across Central Europe is aimed at supporting the development of services for young innovators.

Topics presented at the conference:

- Selected providers` presentations of supporting services for young innovators and other supporting institutions (National Cluster Association, CzechInvest, Technology Centre of the Academy of Sciences of the Czech Republic, BIC R&D, Ltd.);
- International context and trends in supporting young innovators;
- Support for young innovators in selected regions of Central Europe;
- Activities and results of the InoPlaCe project.

Hosted by the Regional Development Agency of South Bohemia (CZ) as the lead partner of the InoPlaCe project.

The conference is intended for young innovators (students, researchers, start-ups), service providers, professional public and policy makers engaged in the support areas of business development, promotion of science and research, etc.

Participation in the conference is free of charge, refreshments provided.

We believe that the conference will be of benefit for you, do not miss the opportunity.
